

## **East Fife Joinery** extend their sponsorship

The 2019/20 away and third strips for our first team will again be sponsored by East Fife Joinery who are now entering their fourth season as the club's main sponsor. Speaking at the launch, Chairman Jim Stevenson said "We're absolutely delighted that East Fife Joinery has agreed to extend their sponsorship with the club and I would like to thank Murray, George and Angela for their continued support of the club".

Murray Dunsire (Managing Director of EFJ) said that they were delighted to continue their relationship with East Fife Football Club and support a local team and community. East Fife Joinery Ltd, is a family owned business formed in 2007. The Dunsire family have been in the construction industry since the early 1950's and the current owners, Murray, George & Angela Dunsire continue to operate in the very same premises where it all began nearly 70 years ago.

Their experience includes, new build, refurbishment & alterations, extensions, repair, and manufactured joinery works within a variety of sectors including commercial, residential, industrial, local authority, listed buildings, and conservation works.

East Fife Joinery (EFJ) offices are centrally located in Colinsburgh, Fife, with its own fully operational manufacturing workshop, plant & material store.

The quality of their product and the infrastructure that supports the products is paramount to the success of their firm. Their Board of Directors will be involved from inception to completion on each project, coupled with their experienced management team, they have the resources and workforce to ensure client satisfaction throughout the life cycle of the project.
